Bibliography / References (AV Reactive Tech System)

Microcontroller & Firmware Documentation

- Espressif Systems. (2023). ESP32 Technical Reference Manual. Espressif. <https://www.espressif.com>
- Espressif Systems. (2023). ESP-IDF Programming Guide. <https://docs.espressif.com/projects/esp-idf>
- Arduino. (2024). Arduino Core for ESP32 Documentation. <https://docs.arduino.cc>

Audio & FFT Resources

- ArduinoFFT Library. (2023). Fast Fourier Transform Library for Arduino. <https://github.com/kosme/arduinoFFT>
- Paillet, M. (2022). I2S Audio on ESP32 — Working with MEMS Microphones. Medium.
- SparkFun Electronics. (2020). Understanding FFT for Sound Analysis. SparkFun Tutorials.
- DFRobot. (2023). Fermion I2S MEMS Microphone (INMP441) Datasheet & Wiki. <https://wiki.dfrobot.com>

Electronics & Components

- Adafruit Industries. (2024). WS2812B Intelligent RGB LED Datasheet. <https://learn.adafruit.com>
- Adafruit. (2023). Guide: Using NeoPixel LEDs. <https://learn.adafruit.com/adafruit-neopixel-uberguide>
- SparkFun Electronics. (2023). Potentiometers Overview & Wiring Guide.
- Vishay. (2022). Infrared Receiver Modules – Datasheet.

PCB & KiCad Documentation

- KiCad Project. (2024). KiCad 8/9 Documentation. <https://docs.kicad.org>
- Digi-Key. (2023). ESP32 DevKitC V1E Product Listing & Dimensions. <https://www.digikey.com>
- PCBWay. (2023). Guide to Exporting Gerber Files (KiCad).
- OshPark. (2023). KiCad PCB Design Guidelines.

3D Modeling & Fabrication

- Autodesk Fusion 360. (2024). Fusion 360 Documentation. <https://help.autodesk.com>
- Ultimaker Cura. (2023). 3D Printing Preparation Guide. <https://ultimaker.com/software/ultimaker-cura>
- MatterHackers. (2022). Designing Enclosures for 3D Printing.

Interaction Design, p5.js & UI

- p5.js Contributors. (2024). p5.js Reference. <https://p5js.org/reference>
- Lauren McCarthy et al. (2024). p5.js Sound Library Documentation.
- Processing Foundation. (2023). Serial Communication with p5.js.

General Tutorials & Coursework References

- City Tech Emerging Media Technology Department. (2024). MTEC 3525 / 4501 Course Materials & Agile Logs.

Example FFT + LED Visualizer Projects (used for conceptual reference):

- ESP32 Audio Spectrum Analyzer Projects – randomnerdtutorials.com
- DIY LED Music Visualizer Tutorials – YouTube creators (educational purpose)

Datasheets (Used Directly in Project Build)

- Espressif Systems. (2023). ESP32-WROVER-IE Module Datasheet.
- TDK InvenSense. (2022). INMP441 MEMS Microphone Datasheet.
- WorldSemi. (2021). WS2812B Addressable LED Datasheet.
- Bourns. (2021). Rotary Potentiometer Series Datasheet.

Power & Charging Modules

- DFRobot. (2022). USB-C Single Cell Li-Ion Charging Module Documentation.
- Texas Instruments. (2021). Li-Ion Battery Management IC Application Notes.
